

**LLOYD GEORGE
RESIGNS FROM
PREMIERSHIP****Coalition Receives Death Blow
at Hands of Conservatives;
Situation Is Critical**

LONDON, Oct. 19.—The government premier, Lloyd George, has resigned. The coalition received its death blow at the hands of the conservative members of the house of commons and government ministers at a meeting in the Carlton club voted 186 to 87 to appeal to the country as a conservative party. This creates a situation of the greatest political confusion and uncertainty the country has known for many years. Several of the unionist junior members resigned from the cabinet immediately after the unionist meeting.

The resignation of Lloyd George was officially announced tonight.

Andrew Bonar Law, conservative, has consented to form a ministry to succeed Lloyd George, the Evening News says.

**TARRED AUTO TRACKS
MAKE RACING FASTER**

MILAN, Oct. 19.—The Italian system of tarring the surface of automobile racing tracks, invented in 1901 by a civil engineer, Guido Rimini, has been described by Senator Silvio Crespi, president of the Italian Automobile club, as the best in existence from the point of view of the speed obtained.

During the Grand Prix of the Automobile Club of Italy, run recently at Monza, a driver reached an average speed of 99 miles an hour in bad weather, while at Strasburg similar cars did not surpass 80 miles an hour under perfect conditions. The Monza track had been treated in the Rimini manner, while he other had not. Signor Rimini builds his roads of cement and then applies a thick layer of tar.

**MORE DIVINE HEALER
BUNK COMES TO LIGHT**

ST. LOUIS, Oct. 19.—Mrs. Francis Schatner, widow of the man who used to be a rooming house near Midway night and who was said to be the "divine healer," today emphatically asserted her deceased husband was the "divine healer" and only Francis Schatner. The assertion was elicited by the statement of a man to the Los Angeles Times last night that he was the "divine healer" and the man who died here was an impostor. The man in Los Angeles declared it was he who served a term in McNeil island federal penitentiary for using the mails to defraud by selling "blessed" handkerchiefs by mail to persons seeking relief from illness.

**MORE EVIENICE IS
FOUND MURDER CASE**

NEW BRUNSWICK, N. J., Oct. 19.—New evidence in the Hall-Mills murder case is in the hands of the authorities. It was declared by a man close in the confidence of County Prosecutor Deekman of Somerset county and Stricker of Middlesex county. The assertion was given color by the continuation of feverish activities of the last three days on the part of detectives and others.

**JAPS WARNED TO TREAT
ANDREWS VERY NICE**

TOKIO, Oct. 19.—Ambassador Warren lodged a formal protest with the Japanese foreign office against the treatment of R. M. Andrews, American business man, whose house and office were ransacked by the police in search of photographs of the defense areas he was suspected of having in his possession.

**MRS. PHILLIPS WILL
FACE JURY TOMORROW**

LOS ANGELES, Oct. 19.—Life for a life, it was learned at the district attorney's office, will be demanded by the state at the trial of Mrs. Clara Phillips for the murder of Mrs. Alberta Meadows, 20-year-old widow, which will open in the superior court here tomorrow. Mrs. Phillips is accused of beating Mrs. Meadows to death on July 12.

**FREE STATERS
SECURE DATA
REPUBLICANS****Intelligence Officers Seize Large
Amount of Literature of a
Damaging Nature**

CORK, Oct. 19.—The arrest today of H. O. Mahoney, Cork republican, led to the discovery of an important republican base in this city. Back in the house on the grand parade was found evidence that the building was not only the headquarters for the republican publicity campaign, but also as the center of Cork No. 1, Flanna, a "military organization named after the ancient Irish Fenian bodies."

Free State troops under an intelligence officer seized a large amount of literature, typewriters, field drawings, first aid outfits and provisions. It is thought the raid will prove a further blow against the republican campaign, particularly the propaganda department.

**RANCHERS DIE OF PTOMAINE
AND NOT FROM BOOZE**

WENATCHEE, Wash., Oct. 19.—After a thorough investigation into the cause of the recent deaths of Lenner, Brown and West, three Okanagan ranchers, Dr. Paul West, county health officer, reported the men died of eating contaminated beans and not by drinking poisonous liquor, as had been supposed.

NEW COLLEGE BUILDING

MODESTO, Calif., Oct. 19.—Ground for the first building of the Modesto Junior college is expected to be broken here on or before Feb. 1, 1923. The building is to cost approximately \$75,000.

AUTOS MEAN WEALTH

STOCKTON, Calif., Oct. 19.—Two million dollars of Stockton's wealth is invested in 6,500 automobiles, according to City Assessor J. F. Campbell. Approximately 9,000 automobiles are registered in Stockton, but only 6,500 are taxable here. Last year 5,900 were assessed here.

ANOTHER FARM SHOW

MERCED, Calif., Oct. 19.—Announcement has been made that the Merced exposition, a farm show held here recently, is to be made an annual event.

**MOVE TO BRING ABOUT
A BETTER UNDERSTANDING**

LOS ANGELES, Oct. 19.—A move for foundation of better international understanding, Dr. Rufus B. von Klein Smid says, is being taken by the University of Southern California, on which he is president. It is the establishment of a department of comparative literature, of which Dr. James Main Dixon has been appointed head. The motive, according to the educators, is that a study of the expressed thought of other peoples in comparison with our own will bring about more appreciative understanding.

GREAT GYMNASIUM

SAN JOSE, Calif., Oct. 19.—Appropriations amounting to more than \$1,000,000 for constructing a gymnasium, swimming pool, tennis courts and an assembly hall at the San Jose Teachers' college are to be asked of the next legislature. The right to grant degrees also will be requested.

**RETIMBERING ARGONAUT
MINE IS UNDER WAY**

JACKSON, Calif., Oct. 19.—Workmen have completed the retimbering of 40 feet of the main shaft of the Argonaut mine, which was recently destroyed by a fire resulting in the death of 47 miners.

For several days last week a great volume of water was buried down the Argonaut shaft to extinguish all fire. As soon as the retimbering is finished the work of drawing out the water will be started.

The adjoining Kennedy mine has laid a pipe line connecting its 3600-foot level with the 4200-foot level of the Argonaut to carry off water that might flow from the Argonaut through the connecting shaft between the two.

**MANSLAUGHTER
NOW CHARGED
TO WILD DRIVER****Plows Through Crowd and Kills
Child and Injures Four
Other Persons**

SAN FRANCISCO, Oct. 19.—Charles Buckley is in jail here charged with manslaughter and motoring while intoxicated. A squad of soldiers last night saved him from rough treatment from a crowd that gathered after his automobile was said to have plowed through a group of persons waiting for a street car on Market street. Four-year-old Marion Newton was killed and her parents seriously injured. Two other persons were badly bruised. When men surrounded Buckley's car with shouts of "Lynch him!" soldiers who happened to be passing protected Buckley until the police arrived. Witnesses told the police the car was driven through the traffic safety zone. Buckley's wife, who was with him, was booked on the charge of drunkenness. The dead child's father, Fred Newton, is in a critical condition, and his wife received a broken hip.

Buckley was later identified by finger prints as Charles H. Fenton, who served a 14 month sentence at McNeil island penitentiary for violation of the Mann act, the police said. The prisoner denies he is Fenton.

**GRAND JURY IS
INVESTIGATING
MURDER CASE****Will Probe Death of Williams,
For Which Mr. and Mrs.
G. Dillen Are Held**

George and Grace Dillen, alleged murderers of Wallace Williams, will not be given a preliminary examination, but on the other hand, the matter will be turned over direct to the New county grand jury for investigation. A special meeting of that body has been called for tonight at the court house, when evidence will be submitted with a view of having the bills returned against the accused. It is stated that at least one other indictment is likely to follow, with a possibility that four people may be directly charged with the death of Williams.

The state claims to have a strong case against the accused and most damaging evidence has been accumulated that will tend to show that Williams was fully murdered. It is even hinted that the Dillens now accuse the Mexican, Rois, who is held in the county jail as being the real murderer, while on the other hand, it is said that Rois has made a confession in which he charges the Dillens with the heinous crime.

**WAGE DIFFERENCE
COMMITTEES MEET**

The committee appointed by the crafts and top workers of the Tonopah and Divide districts to take up the question of an increased wage scale met yesterday afternoon in the Tonopah and Divide offices, when resolutions were presented to the mine operators. No action regarding the matter was taken, but an adjournment was decided upon until next Monday afternoon at 5 o'clock, when the operators will give a final decision in the matter.

The surface workers are desirous of securing an advance equaling 50 cents a day, the same as was granted to the underground workers. The operators voluntarily advanced the top men 25 cents a day when the 50-cent increase was granted those working underground.

G. A. HOFFMAN HONORED

G. A. Hoffman, proprietor of the Union Drug Store, has received notification from Governor Boyle that he has been appointed a member of the state board of pharmacy. Mr. Hoffman succeeds Joseph C. Piercy, who recently removed to Los Angeles.

ANDY STINSON RECOVERS

Mrs. J. P. Rawson received a wire this morning from her father, Andy Stinson, who has been ill at Ely suffering from ptomaine poisoning, that he had fully recovered and that he would resume his campaign tour in the interest of his candidacy for re-election to the office of state inspector of mines.

**PORTO RICO GOVERNOR
IS AN HONEST MAN**

WASHINGTON, Oct. 19.—Governor E. Mont Rely of Porto Rico, whose administration has been under repeated fire from various quarters, is praised as a "thoroughly honest and highly patriotic man" in a letter said to have been written by President Harding and made public by Carlos Marin, a Fernandez resident of the island territory.

**WOBBLIES ARE
ROUNDED UP BY
THE WHOLESALE****Strike of Longshoremen in Port-
land Brings Suspension of
90-Day Sentences**

PORTLAND, Ore., Oct. 19.—Suspended sentences of 90 days each were being imposed by Municipal Judge Ekwall upon 261 men arrested by the police last night following the announcement by Major Baker that the police had been ordered to round up alleged members of the Industrial Workers of the World connected with the strike of longshoremen called by that organization here. The police announced the prisoners will be taken to the city limits and allowed to leave.

Three parties will be escorted from the city jail, one to the southern limit, one to the eastern limits and one to the interstate bridge across the Columbia river, near here. Of the 261 men who remained in jail over night only about half had bunks and the rest overflowed into the corridors, as the jail has sleeping accommodations for only 120.

AUTO RACING PLANNED

SANTA ROSA, Calif., Oct. 19.—Benny Hill, automobile race driver, who recently won the San Joaquin Valley classic at Fresno, has arrived at Santa Rosa to prepare for the race Oct. 29 at Cotati, near here. Hill's car is being torn down for overhauling.

BIBLE UNKNOWN HISTORY

LOS ANGELES, Oct. 19.—Although the disciples were fishermen, fish today in the land of Biblical history is almost an unknown luxury, according to Right Rev. Rennie MacInness, bishop of Jerusalem, a visitor here. There are about 100 automobiles in Jerusalem, and gasoline when he left was 8 cents a gallon. A street car line is being built at Bethlehem, he says.

**LITERATURE OF
POLITICIANS TO
BE SCRUTINIZED****Dead Letter Matter of Solons
Seeking Office Growing in
Tremendous Manner**

WASHINGTON, Oct. 19.—Mr. Political Candidate, if you use Uncle Sam's mails to garner in the sheaves, be sure your stumping letters and other mail matter are sent correctly. Be sure the addresses you use are correct. Don't use ancient mailing lists or city directories to get the home addresses of those you desire for your followers.

Such is the warning of the post-office department, in announcing that the amount of dead letter material received at the dead letter office during the months of June, July and August, in which many primaries were held, showed an increase of approximately 25 per cent over the amount received during the same months of last year. The greatest portion of this matter, it is believed, is political, although, officials said, the 10 per cent increase in general postal business may account for a similar increase in the dead letter matter.

Department officials believe that use of out-of-date mailing lists and city directories accounts for so many undeliverable letters. For, it is repeated, if there is no return address upon a letter incorrectly addressed, or if the addressee cannot be reached, the letter goes into the dead letter department, ultimately to be destroyed.

As many as seven and eight thousand such letters have come in from one city alone, it was declared.

**MORO BANDITS
AGAIN ACTIVE IN
THE PHILIPPINES****Inhabitants of Jolo Alarmed by
Two Murders That Have
Been Committed**

MANILA, Oct. 19.—Inhabitants of the city of Jolo are alarmed over two murders by Moro outlaws and fear night attacks, according to a dispatch from the commander of the Jolo constabulary. Constabulary Sergeant Flor was shot and killed by a Moro bandit who ambushed the constabulary patrol. The patrol in turn killed the bandit. A Filipino school teacher also was shot and killed by outlaws at Dulayklay. The motive was robbery and the constabulary patrol is pursuing them.

**ALLEGED CRONKHITE SLAYER
SURRENDERS IN NEW YORK**

NEW YORK, Oct. 19.—Capt. Robert Rosenbluth surrendered to the United States commissioner and was placed under arrest on a warrant charging complicity with Roland W. Pothier of Providence, R. I., in the slaying in 1918 of Maj. Alexander Cronkhite at Camp Lewis.

CHANDLER AT POCHE

POICHE, Nev., Oct. 19.—There was a crowded hall at the Charles S. Chandler meeting here today. The speakers visited Panaca, Day and Caliente last night.

**WELLS PEOPLE
GIVE GREETING
JOHN H. MILLER****Republican Nominee for Gov-
ernor Receives Great Wel-
come From Farmers**

WELLS, Nev., Oct. 19.—Addressing a big crowd last night, John Miller said: "It is not my plan to make changes in state commissions and retrenchment that will stop development. I believe the schools and university should be brought to the highest standard. I also advocate the development of arid lands by federal aid, to be secured by representative in congress who will work with the president and support the republican policies." He then cited the apparent revival of mining in the state and said: "Mining and agricultural prosperity go hand in hand. Mines operating and good wages mean a better market for the farmer's crops. Both industries need fostering, and I believe my experience as a miner and my interests in farming enable me to be of considerable assistance to both as governor. I believe in good roads, but don't think it necessary to spend \$1500 per mile on a survey as has been done in some instances. My idea is more money for construction and less for surveys." He pointed out the increased cost of the state government as shown by higher valuations and tax rates.

Harry H. Atkinson spoke on the necessity of electing a full state ticket and pointed out the fact that many republican candidates were union men and others are all friendly to organized labor. "If elected I will run the office myself without outside 'aid,'" he said.

Fred H. Blackwell, member of the B. R. C., met many friends among the railway men and made a short talk, as did W. B. Alexander, on the duties of the offices they seek and pledged assistance to the Miller economy program. E. W. Griffith told of the evident prosperity seen in a month of travel all over the state, and the way to continue this is by republican tariff protection to producers and republican conservation of their money in running the state.

**NOTED AUTO RACER IS
TO SERVE TEN DAYS**

FRESNO, Calif., Oct. 19.—Ralph De Palma, racing driver, scheduled to start a 10-day sentence for speeding in Madera county, failed to give himself up at the appointed time of 10 o'clock and Madera county officers started a search under instructions to arrest him if found.

Later De Palma left at noon for Chowchilla with his attorney to appear in court. According to counsel, an attempt will be made to have the sentence suspended. De Palma pleaded guilty to driving 74 miles an hour.

**SECOND CHILD BORN
IS "TAXICAB" BABY**

CHICAGO, Oct. 19.—Mrs. Rose Simon is the mother of her second "taxicab" baby. She was on her way to a hospital when the child, a girl, was born in a cab on Oct. 3, 1919, and while being taken to the hospital in a cab, Mrs. Simon became the mother of a boy.

**PERSHING GETS
BIG RECEPTION
AMONG HIS BOYS****Appears as Chief Speaker Today
at American Legion
Convention**

NEW ORLEANS, La., Oct. 19.—General Pershing, commander in chief of the A. E. F., again acknowledged the tribute of the forces he led in France when he appeared as the day's chief speaker at the American legion convention. His appearance and fellowship with the "boys," as he termed them, shared the chief interest among the legionnaires' with politics in connection with the selection of a new national commander. Committee reports opened the session. The interstate hospitalization committee produced a conservative report which avoided further condemnation of the policy of Brigadier General S. V. S. head of the federal hospitalization board. Delegations had presented a resolution severely criticizing him.

The removal of Brigadier General Sawyer as coordinator of the federal bureau of hospitalization, charged with blocking the American legion hospitalization program, was demanded by the legion national convention by a vote of 691 to 375.

**MILLIONS OF YEN
NOW BEING BURNED**

TOKIO, Oct. 19.—Millions of yen are being fed to the flames in the chief banking centers of the empire. This is due to the government's decision to replace the paper currency put into circulation during the war to preserve silver. Thus far 23,000,000 yen in 10 and 50 yen notes have been destroyed, and before the end of March, 1923, it is hoped that the whole issue of these notes, totaling 218,000,000 yen, will have been reduced to cinders. Silver and nickel coins of 50 and 10 yen are being minted at Osaka to replace these notes. Already many of these are in circulation.

**WOMEN ASK RIGHTS
LOCAL GOVERNMENT**

TOKIO, Oct. 19.—Decision to introduce in the diet a bill granting women the right to be elected to town and village assemblies preparatory to demanding the parliamentary vote has been reached by the leaders of the New Women's association. Miss Makoto Sakamoto, leader of the association, interviewed by the Kōmun, said:

"Our association wants to achieve its aim through the diet. That we do not work for the acquisition of the right to participation in the conduct of national affairs is because of our realization that it is futile to acquire the parliamentary vote while there is no real prospect of the suffrage being granted to all men at his time. This is why we have decided to commence with demanding the right to participate in the affairs of local self-governing bodies."

"A bill similar to the one we are going to introduce in the next session of the diet was presented to the diet by Seinen Takagi 13 years ago. Our bill will be presented through the instrumentality of Mr. Takagi. We intend to introduce another bill demanding the right to form political associations."

MUNICIPAL PARK PLANNED

SAN MATEO, Calif., Oct. 19.—A huge municipal park is to be constructed by San Mateo on the Koh state near here. Recently the city sold \$50,000 in bonds to finance the park work.

**HENRY HINKEL SR.
DIES AT SACRAMENTO**

Henry Hinkel, father of Eugene and Heinie Hinkel, former proprietors of the Mizpah grill and now conducting the Golden grill in Reno, died in Sacramento last week at the ripe old age of 75 years. Deceased had been a resident of that city for 22 years.

**FARMER MUST
BE EDUCATED
IN SOME WAYS****Says He Should Be Informed as
to Need of Improved Ma-
chinery on Farm**

CHICAGO, Oct. 19.—Education of the farmer to the need of improved equipment is the best method of selling farm machinery, Guy H. Hall, director of the National Institute of Progressive Farming, today told the manufacturers assembled at the annual convention here of the National Association of Farm Equipment Manufacturers.

"Don't worry because the farmer seems more prone to buy a new automobile than a tractor," he said. "From that automobile the farmer's son is learning mechanics and he is certain to demand a tractor when father concludes to do some riding in the automobile and for the boy to do some tussling with furrows."

"American-made machinery 50 years ago took the rake, the hoe and scythe from the hands of women, and all true lovers of horses will rejoice when the burden of heavy work is taken from the most beautiful and intelligent of domestic animals."

"Economic law already has adjudicated between the efficiency of the tractor and the horse. A survey of the horse and mule population just completed shows that there are one million fewer horses and mules than before the war."

"Cultivation," he declared, "was the only method of care for the soil, which annually destroys one-third of the cotton crop. Government and college scientists agree that chemicals are useless," he said. In his instance he pointed out that equipment manufacturers could perform a needed service.

"And don't forget the boys and girls," he said. "There are a million or two of them now in farm clubs and in a few years the boy will be taking a tractor and the girl determining whether there shall be a lighting plant on the farm or not."

**POLAND TO ESTABLISH
A NATIONAL CURRENCY**

WARSAW, Poland, Oct. 19.—A committee report in the Sejm finances of Poland has been announced by Finance Minister Jastrzebski. His program includes a monetary reform to be effected in three years. Also he would increase and simplify taxation. The time has arrived, M. Jastrzebski declared, for the establishment of a Polish national currency. The unit is to be the zloty. The treasury has at its disposal 100,000,000 gold francs for this purpose, and also 150,000,000 gold francs for industrial aid.

The minister's tax program involves a general increase in taxes, particularly land taxes, which he proposes to increase 20 times.

Despite the many difficulties which the nation has faced, industry has been successfully revived and is now buoyant. Although the printing of money resulted in depreciation, it nevertheless made possible the award of credits to manufacturers and agriculturalists, and it permitted state aid in the matter of tariffs and rates for the benefit of the poorer classes.

It now remains necessary only to establish gradually a gold-backed currency, and this the state now is in a position to do.
